13. To show you how many little regional titles there are, Super Gallo is the trios champion of the state of Mexico (with el Chamaco II and Joe Mercado) and is also the middleweight champion of Naucalpan, having defeated el Tarasco III in March to win that belt!

14. This issue of Lucha Libre Mundial rips the EMLL for offering its Galavisión show on Televisa cable out in the sticks, and calls octagón "the most clear example ... of a product of television, not a product of Lucha Libre!"

The end of Mexico until tomorrow
